Disclaimer

This policy, its attachments, and any rights attaching hereto are, unless the context clearly indicates otherwise, the property of Saai. It is confidential, private, and intended for the addressee only, and may only be used by the addressee for the particular purpose for which the policy has been requested. The addressee shall furthermore treat all personal information that comes to its knowledge or into its possession as confidential and shall not disclose it without the consent of Saai.

Saai accepts no liability whatsoever for any loss or damages, whatsoever and howsoever incurred or suffered, resulting or arising from the use of the information in this policy or its attachments.

Overview

Saai stands committed to the development of secure policies and practices, and in doing so, has implemented this Web Cookie Policy. The Web Cookie Policy allows Saai to count visits and traffic sources, to measure and improve the performance of Saai web and portal sites. These cookies help Saai to know which pages are the most and least popular and see how visitors move around the sites. All information these cookies collect is aggregated and therefore anonymous.

The policy shall apply to all Saai web and portal sites..

Policy

The web or portal sites use web cookies – small text files that are placed on your machine to help the site provide a better user experience. In general, web cookies are used to retain user preferences, store information for applications such as shopping carts, and provide anonymised tracking data to third-party applications like Google Analytics. As a rule, cookies will make your browsing experience better. However, you may prefer to disable cookies on this site and others. The most effective way to do this is to disable web cookies in your browser. We suggest consulting the Help section of your browser or looking at the About Cookies website which offers guidance for all modern browsers.
